European quality door manufacturer

Dezign A Door... Our DOOR manufacturing is of the highest European quality, at South African prices!

We have been in the manufacturing industry for up-market cabinetry kitchen doors since 1997 and maintain a solid reputation as being a superior quality manufacturer within South Africa.

Our products are for internal use in kitchens, Bedrooms, Bars, Studies, Bathrooms and Special features From Classic to Ultra Modern Designs. We manufacture special units as per client designs.

"Our aim is High Quality... not high Quantity!"

We make use of only prime A-grade quality solid timber veneer boards . All solid timber is tested for its moisture content in order to ensure the best stability of the doors on completion.

We offer ranges of solid wood and semi-solid veneer doors, which are available in various styles and wood species to cover up-market designs ranging from "modern classic" to "ultra modern" etc.

Our manufacturing processes include state-of-the-art machinery from CNC cutting, sanding, spraying to finishing ensuring you of the highest standard quality.

All our staff receives on-going training in order to stay abreast of the latest innovations and technology within the industry world-wide Due to our flexibility, should a client require something unique/special we are able to do our best and try and accommodate their request.
