Dezign a doors' reputation in the South African Industry is that of a company which delivers consistent high quality standards, on all our products we supply. To ensure that we are able to deliver top quality workmanship we have invested in the purchasing of only the best and latest finishing machines in the world.

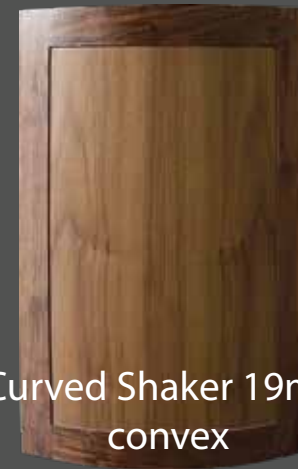

All our raw materials and MDF Boards are sourced from the highest quality suppliers in addition we apply an important Italian paint, which has been used worldwide by all Major Hi-Gloss kitchen Manufacturers for the past 15 years.

We highly recommend viewing actual colour samples at Dezign A Doors' Showroom
